GOLF PROFESSIONAL

We had 18 brave golfers play in our Winter Fun Tournament on January 14. It was cool in the golf shop so I can only imagine how cool it was on the course! Third place was won by Jimmy Garcia, John Quilty, and Bill Pearson with a score of 68. Taking Second place in the scorecard playoff with a score of 68 was Jim Lillie, Harry McKee, and Roger Bucheit. Our runaway winners with a score of 62 were Eric Anderson, George Perdue, and Don Brown. Closest to the Pins were won by Jimmy Garcia, Wendell Harper, Eric Anderson, and Dean White. Our next tournament will be February 25 so be sure and sign up to have fun on the golf course.

The PGA Show in Orlando was busy as always this year and I'm sure many of you saw the updates from the Golf Channel. With four conventions at the same time the area around the Orange County Convention Center was packed with people. The big news the very first day was Tiger Woods signing to play Taylor-Made equipment. The major companies all released new woods, irons, and balls so there was a lot of new equipment to see. The Epic driver by Callaway was the talk of the show and the Cobra F family of woods and irons received a lot of conversation as did the M Family from Taylor Made. On the clothing side the colors to watch for are always black and white. The fashion colors this year continue with blue and green, a little bit of red, purple to shiraz, and to a lesser extent brown, pink, and orange. Moisture wicking fabric continues to be the most popular but companies are showing items made out of cotton and some of the most expensive shirts are all cotton. Our new items start coming in March 15 so watch for them to hit the golf shop!

TURF TALK

With spring time just around the corner, the golf course maintenance staff will soon be switching back to mowing green grass. But in the mean time we have several more projects that we hope to complete prior to that green up! We are currently in the process of mowing down all of the native grass with a hopeful completion date of early February. Soon we will begin to work on some the bare spots around the course with the goal of 100% turf by summer time. Most of these areas are what is the left over damage caused by years and years of watering with high sodium lake water. Since we have been using effluent water from the city's treatment plant, we have seen a dramatic increase in the re-growth around these areas and just hope to speed the process by modifying the soil and installing sod. As we begin this process we will be roping off most of the fairways where the work is being completed in order to keep the cart traffic off of the newly planted grass until establishment. I understand it may be slightly inconvenient, but with your cooperation, we can ensure success for this project if we can keep the cart traffic completely out of these areas. I would like to thank everyone in advance for their patience and understanding while we work to better your playing experience!

As always, feel free to contact me with any questions or concerns that you may have concerning the golf course or even your home lawn!

CHEF TYLER

First month of the year is in the books!

I would just like to thank everyone who made the new menu launch a success. A big thank you to our staff for giving such great service to our members. A big thank you to my kitchen for executing flawlessly. And, most importantly, a huge thank you to the members who make it all possible. You come in day in and day out, and you allow us to entertain you.

Let's keep the excitement going this year. With all that we have planned, 2017 is shaping up to be the best year that Harbor Lakes Golf Club has ever had.

Please remember to make reservations!!

Reminder that anyone who makes reservations for our dinner services, through February 7th, will receive 20% off of their food for the evening.

Come on in and see us! We can't wait to see you.

See you soon,

Dear Harbor Lake Golf Club members,

Thank you so much for your support of Mission Granbury and the Red Envelope Project. Your donations to the Ada Carey Family Violence Center provided Christmas gifts for the women and children during the holidays. They were truly amazed and so very grateful. Your generosity allowed the residents to have a very Merry Christmas!

Sincerely,

Candy Hatfield
