## GOLF PROFESSIONAL

March is here which means golf season has started! We are already seeing the television ads for the Masters tournament in April. At Harbor Lakes, we had 36 players for our Member Tournament on Feb 25th. It took a scorecard playoff to determine the winners as the scoring was very close.

1st place with a score of 66 were Kevin Myers, Galon Cox, Rusty Holt, and Roger Blackwelder. Finishing 2nd also with a score of 66 were Dustin Anderson, Harry McKee, Bill Pearson, and Charlie Stenholm. The 3rd place team with a score of 68 was Steve and Gretchen Hunt and Tony and Karen Varnell. Finishing 4th with a score of 68 was the team of Troy Schulz, Tony Reeves, Frank Van Court, and Ken McDonald. The Closest to the Hole contests were won by Galon Cox, Steve Hunt, Lou Hendrickx, and Troy Schulz. Additionally, the team of Eric Anderson, Terry Wooten, Shari Langen, Larry Cox and the team of Kevin Myers, Galon Cox, Rusty Holt, Roger Blackwelder won the Skin pot.

Our next tournament like this will be Sunday March 19th. Don't forget that March 11/12 is our Member-Guest tournament. Be sure to sign up with your guest.

March is also the start of the LGA on Tuesday at 10am and the Senior Tour on Thursday at 10am. Be sure to stop by the golf shop and see all the new items coming in for the season!

## TURF TALK

Well, normally I would tell you that spring time is right around the corner and things should be greening up soon, but we have been mowing grass since mid February! So far the greens look great, tees and fairway are not far behind, and we will soon begin cutting the rough back to help the green grass get a little more sunlight! Keep in mind that winter is not over and we still have a chance of that dreaded late freeze which could always slow the greening up of the course. As winter does come to an end you will start to see less project work as our mowing and maintenance routines get back to our normal frequencies.

As always please feel free to contact me with any questions or concerns about the golf course or even your home lawn!

Superintendent

## CHEF TYLER

*"To me, there's no great chef without a great team."* - Chef Daniel Boulud.

We are now in the third month of 2017. That's crazy to think about. In the first two months, we have been fortunate enough to hold some very fun and successful events. I'd like to take a moment to thank the amazing team that I have working around me. It is because of all of you, that we are able to be successful. It is because of you all that we are able to create such a great atmosphere for our members. Thank you for all of your hard work and dedication. You are greatly appreciated.

Now, let's get to the fun stuff. April is almost here. That means we are almost through the first quarter of 2017. That means that it's almost time for a new menu! One thing that I vowed to do when I came to Harbor Lakes is elevate the quality and consistency. I also told everyone that we wanted to use the freshest products available, and to do so, that will mean always using products (especially produce) that are currently in season. By using foods that are at their freshest and in season, it will also mean lower prices for the kitchen, therefore, lower prices for the diner. Spring is a time for exquisite and refreshing produce as well as vibrant fruits, so expect to see some beautiful, eye popping plates in the very near future.

We are very excited about the direction of the restaurant, and hope that you are as well.

Hope to see you soon!
