## GOLF PROFESSIONAL

Blair

The month of July was busy at Harbor Lakes. The greens aerifying turned out great and the course is in fantastic shape! The end of July we held our annual Battle of the Lakes where the members that were born in Texas take on the members born outside of Texas (Aliens) The match was tied after the first day and even though the Texans fought valiantly, the Aliens triumphed 20.5-15.5. Jim Lillie accepted the trophy on behalf of all the Alien team members. Coming up in August we continue with the Ladies Golf Assn at 8:30 Tuesday mornings and the Senior Tour at 8:30 Thursday mornings. Our Monthly Series tournament will be on August 19 at 8:30. The competition will be Individual Gross/Net by flight. We need everyone to sign up for this tournament so we can have fair flights. We are also holding a PXG Demo Day on Friday August 4 from 12-4. PXG is a relatively young company that is making quite a splash with their products. Remember to stay hydrated while golfing and above all have fun!

## TURFTALK

So far, summer time has been extremely hot and dry, but because of the outstanding effort of the golf course staff we have been able to keep everything green and growing! I want to acknowledge the efforts of Assistant Superintendent Randy Addison and the rest of our staff on their efforts in making this happen. Without the countless hours of hard work that these guys put in, we would not have the golf course in as good of shape that it is in! So please, take a minute to say hello and thank them for their efforts! Knowing their efforts are appreciated goes a long way in keeping morale up in this somewhat unbearable heat! Hopefully mother nature will be kind enough to send some moisture and possibly some cooler temperatures our way some time soon! As always, please feel free to contact me with any questions or concerns that you may have about the golf course or even your home lawn!

## CHEF WEBSTER

Coming together is a beginning  
Keeping together is progress  
Working together is success

- Henry Ford

We have come together, over the past month, to create an atmosphere of fun, friendship and family here at Harbor Lakes. As we continue to progress we look to keep together and include everyone in the exciting events and changes that we have as we are ever moving forward.

August Recipe:

Raspberry Vinaigrette

For the summer, a good vinaigrette to go with fresh greens and fresh vegetables is a must. This raspberry vinaigrette will add a bit of sweetness to any salad.

1/2 cup of white wine vinegar

1/4 cup of olive oil

1/4 cup of fresh or frozen raspberries

1teaspoon of honey

1teaspoon of garlic

1/2 of a small shallot

Salt and pepper to taste

Place vinegar, raspberries, honey, garlic and shallot into a blender or food processor and blend until smooth.

Turn blender to the lowest setting and gradually add in the oil.

Store in the fridge for up to four days.

\*If the oil separates from the other blended ingredients, place all ingredients into blender and add 1/2 teaspoon of dijon mustard and blend until smooth. The acid in the dijon will keep the oil from separating from the other ingredients.
