As we head into the start of Winter the play on the course slows down a little. We will still have plenty of great days for golf however, so don't put the clubs in the closet! Keep in mind that when you have on a few layers of clothing it can be a little restrictive, so you may want to take an extra club for your shot.

We have a few events quickly approaching:

Sunday, Dec 3 : Monthly Series Tournament -10 AM

Low Gross/Low Net

Tuesday, Dec 5 : Members Christmas Party -4:30-6PM

Holiday Pro Shop Sale 5-7PM

Thursday, Dec 7 : Senior Tour Luncheon 12PM

I hope you all have a great Holiday Season!

## Girls' Night Out

Kids Armor of Hope

Crystal Moore will be our speaker

## TURF TALK

Well, so far December doesn't really feel like December! We are still growing grass in several areas on the golf course which is quite unusual for this late in the year. But I'm sure that will all come to a quick halt pretty soon. Mother Nature may be unpredictable in Texas but it's inevitable that she will send some cold, nasty weather our way sometime soon!

In the mean time we will keep mowing grass and continue with our winter projects. One quick note for everyone. Don't forget to water your lawn occasionally throughout the winter months even if your grass is dormant. When we do receive that extreme cold weather, that added moisture will help protect the roots of your turf and it will have a better chance of making thru the winter.

As always, please feel free to contact me with any questions or concerns about the golf course, or even your home lawn.

## CHEF WEBSTER

"Our hearts grow tender with childhood memories and love of kindred, and we are better throughout the year for having, in spirit, become a child again at Christmas-time." - Laura Ingalls Wilder

The Holidays are upon us! I absolutely love this time of year. Giving thanks with family and friends. Christmas music, decorations, Gingerbread, Christmas cookies and holiday foods.

I want to thank everyone that allowed Harbor Lakes Golf Club to be a part of their family for Thanksgiving. Between our catered events, our Holiday To-go menu, and those of you who came in on Thanksgiving day, we were able to make an impact on so many families this year. I know that the Holidays are a special time of year for so many, but can also be stressful with everything to do. I'm happy that we were able to take away some of those stresses and allow you to enjoy a great meal, while also enjoying time with your families.

With the Christmas season fast approaching, we will be doing a lot of Christmas themed specials in the restaurant in the month of December. Come in and enjoy bar specials as well as our weekly dinner specials. As always, please remember to make reservations!

Here's to hoping that our final month of 2017 is full of love, happiness, success, and optimism for the new year to come.

From our family to yours,

Merry Christmas and a happy New Year!

Chef Webster
